

Workshops and Webinars for Federal Agency Funding Opportunities

National Science Foundation (NSF)

The National Science Foundation (NSF) is pleased to announce the next webinar in the **2022 NSF Policy Office Webinar Series**, covering **Concept Outlines at NSF**, will take place **Tuesday, September 27 from 2:00 – 3:00pm EST**. There is no cost to participate.

Registration is open! To register for this event, visit our website:

<https://nspolicyoutreach.com/>

We are encouraging attendees to submit questions ahead of time so that our speakers may tailor their remarks to answer the audience's most pressing questions. Please submit your questions when you register or email them here: grants_conference@nsf.gov

Feel free to check <https://nspolicyoutreach.com/> for the most up-to-date webinar information. You can view recordings from previous webinars and conferences on our [Resource Center](#) or [YouTube](#) page.

For those who cannot attend the live webinar, all recorded sessions will be available on-demand shortly after the event and posted on our [Resource Center](#) and our [YouTube](#) page.

If you require any accommodations, such as closed captioning, or if you have any logistical questions about the webinar, please contact us at: grants_conference@nsf.gov

We look forward to seeing you!

Sincerely,
Policy Office, Division of Institution & Award Support

Proposal & Award Policy FAQs

National Institutes for Health (NIH)

NIH's Virtual Conference Center. One Registration. All-Access.

The virtual conference center is open. When you are ready to start exploring, want to join a scheduled event, or gather resources, just visit the [NIH Grants Conference Log In Page](#) and click the tab at the top. It's as easy as that! Your one-time registration provides you with access to the entire virtual conference site, all of our hosted events, and resources. Use the same log in and password every time!

Create Your Journey: Once it opens, the virtual conference center will offer agendas and related resources for all of the preconference events and the 2-day conference. Add events to your personal conference schedule so you won't miss the opportunity to participate. Don't forget to meander through the Exhibit Hall to visit booths from across NIH institutes, centers, and special programs. Although most booths will only be staffed during the 2-day conference in February, you can visit them any time during the year to view and save valuable resources to your personal "swag bag" 24/7.

Event Information: During the registration process, you will be notified of current news and resources related to those events of interest that you selected. If you'd like to update those selections, just access the site through the [NIH Grants Conference Log In Page](#) and update your personal profile page. Note: You can access your profile even before the conference site opens. Simply complete the log in information tab and a pop-up notification will provide the link to your personal profile page. As a reminder, here are the events offered at this time:

| | |
|----------------------------------|--|
| September 15: | Navigating Early Career Funding Opportunities |
| October 14: | Research Misconduct & Integrity |
| November 9: | Foreign Collaborations: Policies, Processes, & Partnerships |
| December 6 & 7: | Human Subjects: Policies, Clinical Trials, & Inclusion |
| January 12, 2023: | Making the Most of the 2023 NIH Grants Conference |
| February 1 & 2, 2023: | 2023 <i>Virtual</i> NIH Grants Conference: Funding, Policies, & Processes |
